Commissioner,
Department of College Education
Shiksha Sankul,
JLN Marg, Jaipur,

Subject: Rajasthan IT Day from 19th March – 21st March 2018

Sir,

Rajasthan is going to celebrate its annual I.T. Day (19th March – 21st March 2018) in the form of e-Governance Initiatives /achievements, Start-up activities, Hackathon, various competitions, e-Governance Expo and Job Fair.

On this occasion, to have an inclusive participation of the entire education sector, various activities have been identified and all the participants would have chances to win exciting prizes. The events would provide a platform for all the stakeholders to come together and share knowledge as well as experiences.

Copy of the DO Letter addressed to ACS, Higher & Technical Education, is being enclosed for information. It is requested that instructions may be given for dissemination of information and publicity of the event to all institutions for active participation of employees, teachers and students to ensure maximum participation in the events.

For registration, participation and more details of the event, may please check the website <http://itday.rajasthan.gov.in/> .

Dated:14 April 2018

Respected Sir,

Rajasthan is going to celebrate its annual I.T. Day (19th March - 21st March 2018) in the form of e-Governance initiatives /achievements, Start-up activities, Hackathon, various competitions ,e-Governance Expo and Job Fair.

On this occasion, to have an inclusive participation of the entire education sector , various activities have been identified and all the participants would have chances to win exciting prizes. The events would provide a platform for all the stakeholders to come together and share knowledge as well as experiences.

The following is a list of few events :

- i. e-Governance Expo
- ii. Sessions for Start-ups
- iii. **Job Fair** - Government of Rajasthan has a commitment to provide better future to the youths of the State, hence, aims to provide a bigger platform covering huge masses of nearly 10,000 candidates for choosing their career paths on the event of the Rajasthan IT Day. The job fair is a one stop platform which would offer employers an excellent opportunity to deal with their active and future staffing requirements meeting aspiring candidates from different sectors. (Poster enclosed at Annexure-1)
- iv. **36 Hours On site Hackathon** (both Software and Hardware segments) for all students of Universities, Colleges, Polytechnics and ITI's etc. (Poster enclosed at Annexure-2)
- v. **Teachers Hackathon** for all teachers of the schools, Lecturers and Faculty of all the Universities, Colleges, Polytechnics and ITI's. (Poster enclosed at Annexure-3)

Some identified themes are :

- Digital Learning
 - Digital Learning Models
 - Digital teaching
 - Digital Content
- Educational Learning Games
- Learning/collaboration in students & teachers
- Social media in education
- Assessment for learning as pedagogies
- Leveraging Open Education resources
- Parents Engagement
- Students Learning & 360 Performance Evaluation
- App based learning

It is therefore requested that instructions may be given for dissemination of information to all the institutions (Universities/Colleges/Polytechnics/ITI's for active participation of teachers and students and for display on the education portals to ensure maximum participation.

With regards,

Yours sincerely

(Akhil Arora)
